Engap Acquisitions, LLC is a SAM-registered, Texas-based small business supplying goods and services to federal, state and local government buyers. We respond to solicitations and fulfil them through a vetted vendor network, so agencies get one accountable supplier and vendors reach the government market without carrying the bid process themselves.

CORE COMPETENCIES

- **Commodity supply.** Vehicles, trailers and parts; industrial hardware, valves and fittings; storage tanks; electrical, lighting and telecom equipment; IT hardware; janitorial, office and facility supplies.
- **Food and catering.** Bread, dairy and bulk foodstuffs; catered and delivered meals for institutional buyers.
- **Facilities and grounds services.** Mowing, site maintenance, building and equipment maintenance, paving and chip-seal through qualified subcontract partners.
- **Bid and contract administration.** Solicitation response, vendor quoting, compliance documentation, delivery coordination and invoicing on federal and state platforms.

DIFFERENTIATORS

- **One accountable supplier.** Engap holds the contract, manages the vendor leg and owns delivery, documentation and invoicing end to end.
- **Vetted vendor network.** Manufacturers and distributors reach the government market through Engap without carrying the bid process themselves.
- **Platform experience.** SAM.gov, DLA DIBBS, Unison Marketplace, Texas ESBD, Texas CMBL, Bonfire and OpenGov.
- **Registered and in good standing.** SAM.gov active for all awards with no exclusions; Texas CMBL vendor active; Texas domestic LLC in good standing.
- **Broad, opportunity-driven model.** Quotes across commodity and service categories; nationwide for federal, Texas prioritised for state and local.
